SKPA has added many training opportunities to next year's workshops. If you are planning to attend any of the major conventions, note that we will be holding a workshop on the day before the convention starts. We invite you to make it a New Year's resolution to attend one of these valuable sessions.

Something new: Any of you who have already attended a workshop may sit in again as a refresher class for a nominal \$20 fee to cover any expenses that may be involved (as space allows).

Merry Christmas and Happy Holidays from all of us at SKPA
